Call for participants

For the study visit 'Learning to Learn', 16th – 23rd February 2017, Slettestrand, Denmark.

Together with our partners, we are looking for participants from Bulgaria, Denmark, Italy, Romania, Spain, and Sweden.

Summary

The study visit is a 6-working day activity taking place at Slettestrand in Denmark, gathering 28 youth leaders from Bulgaria, Denmark, Italy, Romania, Spain, and Sweden. The study visit will take place at the 16th – 23rd February 2017 (16th being arrival day and 23rd being departure day).

The aim of the study visit is to enhance youth organizations' effectiveness in promoting non-formal and alternative education among young people by sharing best practices with youth leaders on promotion and implementation of alternative ways of education. Denmark has a long history of learning outside the frame of formal education, therefore, participants will be able to familiarize themselves with many types of other educational possibilities. Additionally, the visited institutions will provide inspirations regarding promotion of non-formal and alternative education among young people.

The training will include interactive exercises, workshops, presentations, discussions and group work.

The training will be conducted in English and translation will not be provided. Therefore, the participants are expected to have a good level of English, both written and spoken.
