

3-month European Solidarity Corps vacancy in Denmark

InterCollege is looking for short-term volunteers to join our team in Aalborg!

Your tasks and the learning

As a volunteer with InterCollege, you will get a lot of responsibility. Before the start of the project, we will make a plan for your work and learning to ensure that the tasks you receive contribute to your development. As a volunteer with InterCollege you will acquire experience with managing EU-funds, especially within the implementation phase and you will have the opportunity to gain experience with non-formal training, project coordination, management, and administration.

Furthermore, InterCollege is, for most persons, an intercultural experience and the beginning of a life with network and friends from all over the world. Regardless of whether your motivation is to have a cultural experience or to kickstart your career within EU-projects, InterCollege can be fit for you.

Desirable profile of the volunteer:

- Be between 20 and 30 years old;
- Good command of English;
- Be available for a 3 months service;
- Be committed to fully take part in the activities of InterCollege;
- Experience with project coordination and training delivery is an asset, but not a condition.

Only candidates who fulfil the above requirements will be considered.

Financial conditions:

- InterCollege will offer the selected volunteer a private room in our four-room apartment situated in the city centre;
- The volunteer will receive an allowance of 1200 DKK/month for food expenses and an allowance of 180 euro/month as pocket money.
- The volunteer will receive a bike as a means of local transport.
- A lump-sum is available to contribute to the international travel of the volunteer from his/her home to Aalborg and return.

Application procedure:

Interested candidates are required to complete an on-line application form:

<https://form.jotform.com/92032482008954>

The call is ongoing, feel free to send your application any time.

The starting date of the service will be agreed together with the selected volunteer.

About InterCollege

InterCollege is a social enterprise within the field of Education and Capacity Development, with key competence in cultural, civic and entrepreneurship education. The organization was established in Denmark in 2010, and now has other two offices in the United Kingdom and Norway.

The mission of InterCollege is to stimulate global progress built upon international understanding and coherence.

InterCollege aims to innovate education through:

- Facilitating bespoke education;
- Being a counterpart to educational providers;
- Mobilizing and connecting People, Ideas and Resources.

The staff members of InterCollege come from all over the world, bringing a diverse cultural background and open mindedness to the organization, ensuring that all people are welcome in our team. All members of the organization started as interns or volunteers, providing us with a strong sense of community where we spend time together outside of office hours as well.

Aalborg

Aalborg, with a population of about 130,000, is the fourth most populous city in Denmark, and has two major Universities, offering international study programs taught in English, making Aalborg a destination of many international students from all over the world each year.

Aalborg is situated in North Jutland, at the narrowest point of the Limfjord and has a vibrant cultural life, with major venues such as the Aalborgs Kongres & Kultur Center, Nordkraft, Musikkens Hus and many museums. The annual Aalborg Karnival is attracting about 100,000 visitors, it is the biggest carnival in Scandinavia and one of the largest in northern Europe.
